The 20th International Conference of ESMM
In Collaboration with Medical Microbiology and Immunology Department, Faculty of Medicine, Mansoura University

Health Care Infections:
Microbial Challenges in Different Environments
Under patronage of

Prof. Elsayed Abdel khalek
Prof. Ehab Saad
Head of Mansoura University
Dean of Faculty of Medicine

ESMM President
Conference President
Prof. Samira Shoeb
Prof. Mohammad Abo Elela
Head of Medical Microbiology & Immunology Dept.
Faculty of Medicine, Mansoura University

Venue Mansoura University Children Hospital
27-28 February 2014

General moderators
Prof. Wafaa Zaghloul
Prof. Nesrene Omar

General secretaries
Prof. Ahmed Amer
Dr. Heba Eldegla

Venue Mansoura University Children Hospital
27-28 February 2014

Registration fees
- Member of ESMM 300 LE
- Non-member of ESMM 350 LE
- Workshops 250 LE each One

Accommodation Mansoura University Hotel (Ramada)
Before 15 February (reduced fees)
- Single bed: 300 LE
- Double bed: 350 LE

Abstract submission (deadline 1st February)
Call the scientific committee of the conference for abstracts and details
Prof. Fikry Elmorsy 01065050225
Prof. Wafaa Zaghloul 01227380220
E-mail: wafaa_younis@yahoo.com
Prof. Samira Shoeb 01227421908
Prof. Ahmed Amer 01001099890
ESMM tel.: 23648854
ESMM E-mail: microbiology2512011@yahoo.com

General information
- Official language: English
- Audiovisual aids: PowerPoint data show and video display facilities
- The full papers will be published in a special issue of the Egyptian Journal of Medical Microbiology with reduced fees.
  Deadline for abstract submission is 1st February 2014
  Underline the speaker in the orally presented paper

Social activity (optional) 2 days journey in Alexandria
For details and reservation contact
Prof. Wafaa Mowafy 01061067229
Conference Topics

- Safety at the workplace for health care workers.
- Global challenge of MDROs.
- Surveillance technology for infection prevention.
- Discovery of anti-microbial drugs in the twenty first century.
- Molecular diagnostics to help prevention of HCAIs.
- HCAIs & immuno-compromized host.
- Standards in infection control of HCAIs.
- Confirmative diagnostic method of fungal infection in hospitalized patients.
- New Bundles that actually works.
- Concern of Blood-borne infections-injection Safety: HCV, HBV, HIV.
- Miscellaneous topics

Conference workshops (will be held at Medical Microbiology and Immunology Department, Faculty of Medicine, Mansoura University, at 26th February 2014)

- Mycology workshop: update in diagnosis of mycotic infections
- Immunology and molecular biology workshop: Apoptosis assay methods
- Virology workshop: Virus isolation in traditional cell cultures and newer cell culture formats.
- Infection control workshops:
  1. From Microbiology diagnostic &Infection control unit: Care bundles and quality improvement in health care settings.
  2. From Tanzanian guest: Infection control and prevention in home based settings in Tanzania

Conference Organizing Committee

Prof. Fikry Elmorsy
Prof. Wafaa Zaghloul
Prof. Momahhed Elfarrash
Prof. Nesreen Salah Omar

Guest speakers

James William Gray
Consultant medical microbiologist
The Birmingham Children's Hospital
Birmingham UK

Ahmed Kaseb
Department of Gastrointestinal Medical Oncology, Division of Cancer Medicine, The University of Texas MD Anderson Cancer Center, Houston, TX, USA

Sanaa Hasan A. Sahib
Head of school of Nursing
University of Raparin

Samir Younis Lafi
Head of Adult Nursing Department
School of Nursing/University of Raparin

Dr Twalib A. Ngoma
Head, Tanzanian office, International Network for Cancer Treatment and Research (INCTR)

Annastasia Giles
Head nursing training ceean Road Cancer Institute
